

13th July 2018

Dear Parent / Carer

In the letter we sent out earlier we got it wrong.

We now need to get individual permission from you, as the parent, for your child's thumb to be scanned. We will start the process of collecting permissions in September.

But, we do need to stop using lunch cards. So:

- On the first day of term in September we will give each pupil a PIN number.
- Pupils will use their PIN at the payment points to pay for their food.
- When a pupil inputs their PIN number their picture will appear on the payment point screen and catering staff will check the right pupil is using the PIN number. So other pupils will not be able to use your child's number.

Yours sincerely,

Andrew Seager
Headteacher
