

4<sup>th</sup> October 2017

Dear Parents/Guardians,

On Tuesday the 10<sup>th</sup> of October 2017 pupils in Years 7 - 10 will be going on the 'Stratford Goes to London' education visit.

London is one of the most culturally rich places on the planet. Stratford goes to London educates our young people about all that our city has to offer and brings some aspects of our academic curriculum to life. We are aiming to inspire pupils by showing them London's people, places and heritage.

Pupils will attend one of the following venues: The Museum of London, Natural History Museum, Science Museum, National Gallery, Tate Britain, British Museum, Victoria and Albert Museum, Docklands Museum, Tate Modern and Mudchute Farm.

Pupils need to be at the school for 8:30am with registration starting at 8:40am. Any pupils arriving after 8:45am will receive a late mark. Pupils need the following for their trip:

- Full school uniform
- Trainers (Only on this day due to the walking involved)
- Plenty of fluid to stay hydrated
- A packed lunch (Free School Meals Provided)
- Pen and pencil
- Weather dependent. Hot- Sun cream, Extra Fluids. Wet/Cold- Coat, Umbrella

Pupils will return to school between 15:00 and 15:30 and will be dismissed by their Form Tutors after being registered. Stratford Goes to London is a unique educational experience and we look forward to your child having a successful day.

Yours sincerely,

**Mr Moore**
