Dear Parent/Guardian

RE: Changes in Parents Evening Arrangements

The way we are organising Parents Evening's is changing for Years 7, 8 and 9.

We are going to change to a Parents Evening system based on our House Teams where pupils from two Houses, one from each site (e.g. Euler from Grosvenor Road and Crick from Upton Lane) would come in to meet teachers on a particular evening. This would reduce the number of pupils a teacher would expect to meet to a more sensible number and reduce the length of time parents have to queue to meet subject teachers. This will make the parent teacher meeting more productive for both parents and staff.

Year 10 Parents Evenings will remain Year based.

Please see the information below which give details on the new arrangements for the House based Parents Evenings:

Wednesday 6th March: Euler and Crick Parents Evening Years 7 to 9

Monday 25th March: Year 10 Parents Evening for pupils from **all Houses**

Wednesday 3rd April: Berners-Lee and Noether Parents Evening Years 7 to 9

Thursday 25th April: Curie and Hawking Parents Evening Years 7 to 9

Please contact the school if you have any further questions about these changes.

Yours sincerely,

Mr. M Walkinshaw
Assistant Head teacher
