

23rd September 2015

Dear Parent/Guardian

On Tuesday 3rd November 2015 our new building on Upton Lane will open. We will then have two buildings, each designed for 750 pupils. As we have said previously we are going to run the two buildings as two parallel 'mini-schools'. The subjects we teach will be the same at both buildings and it will make no difference which building a pupil attends.

There will be three houses at Upton Lane (Crick, Noether & Hawking) and three at Grosvenor Road (Euler, Berners-Lee & Curie). As now, brothers and sisters will be put in the same House and so will be in the same building. When deciding how to allocate pupils to Houses and to buildings Governors agreed that, if we were to achieve balanced Houses, we could not consider:

- How close pupils live to each of the buildings. The two buildings are just five minutes' walk apart and it will make no real difference to pupils which building they have to go to.
- Parental or pupil preference for a building – because we will be running two parallel mini schools it really should make no difference which building pupils go to.

Please note that the school will be closed on Monday 2nd November for a staff training day.

On Tuesday 3rd November your child must go to the following building according to their Houses:

- **Grosvenor Road - Euler, Berners-Lee and Curie**
- **Upton Lane - Crick, Noether and Hawking**

We have been planning this move for some time so we can assure you that there will be little or no disruption. If you have any queries please do not hesitate to contact Jill Westwood, Office Manager or Mahbub Rhaman, Admissions Officer at the school 0208 471 2415

Yours sincerely,

Mr Seager
Headteacher
